Te Whare Wānanga o Tamaki Makaurau  
NEW ZEALAND

**“Aside from my three biology classes, I wanted to study something that is unique to New Zealand, something that would engage me with the place I was going to spend a year of my life.**

**Māori130: Te Ao Māori (The Māori World) fit that purpose, introducing me to the culture and history of this bicultural nation of which I knew very little. “**
